 3 Dollar value is approximate

## 10 vehicles recovered in 24 hours!

Thieves were busy for the Christmas rush this December, as were our tracking teams! On December 13th alone, 10 Boomerang-equipped vehicles were reported stolen from the Montreal and Toronto areas, all recovered safely. Highlights include a Nissan Armada that was found in a chop-shop with two other stolen vehicles - one from the U.S. - and two vehicles, a BMW X3 and Lexus RX330, that were both stolen with the owner's keys in Toronto. With Boomerang's help, Santa has a few extra thieves to put on the 'naughty' list!

DATE	MAKE & MODEL	YEAR	VALUE (\$)	INSURANCE COMPANY	DEVICE

Due to space limitations, the above is an abridged list of recoveries during this month. Boomerang Tracking Inc. markets and distributes the Boomerang® Tracking System, a proprietary product using technology patented by the Company. The BoomerangXpress, Boomerang and Boomerang2™ devices are the central devices in a cellular-based asset tracking system utilizing the wireless systems of major telecommunications companies. The Boomerang Tracking System is capable of locating stolen automobiles, heavy equipment and valuable objects. Members of the insurance industry endorse the Company's proven recovery record. The Boomerang devices are installed through a network of authorized dealers located throughout the provinces of Quebec, Ontario and British Columbia. The Company's head office, research and development, production and corporate installation facilities are located in Montreal, Quebec. Boomerang is a registered trademark and Boomerang2 is a trademark of Boomerang Tracking Inc. Boomerang Tracking is a wholly-owned subsidiary of LoJack Corporation (NASDAQ:LOJN).
