Home break-in with a happy ending

A home break-in in Toronto resulted with the thieves stealing the keys to the owner's BMW 325 – and then his car. Thanks to the rapid response of Boomerang Tracking's in-house tracking team, the thief was stopped across town, much to the relief of its owner. Not only did the owner get his car back, but all the stolen valuables from the break-in!

Due to space limitations, the above is an abridged list of recoveries during this month. Boomerang Tracking Inc. markets and distributes the Boomerang® Tracking System, a proprietary product using technology patented by the Company. The Boomerang, Boomerang2™ and Boomerang GSM devices are the central devices in a cellular-based asset tracking system utilizing the wireless systems of major telecommunications companies. The Boomerang Tracking System is capable of locating stolen automobiles, heavy equipment and valuable objects. Members of the insurance industry endorse the Company's proven recovery record. The Boomerang devices are installed through a network of authorized dealers located throughout the provinces of Quebec, Ontario and British Columbia. The Company's head office, research and development, production and corporate installation facilities are located in Montreal, Quebec. Boomerang is a registered trademark and Boomerang2 is a trademark of Boomerang Tracking Inc. The shares of Boomerang Tracking Inc. trade on The Toronto Stock Exchange under the symbol BMG.
