Thief takes a break - but not for long!

Our tracking team was recently dispatched to locate a 2004 black Lincoln Navigator, reported missing from a Burnaby, B.C. company. The vehicle was found in a hotel parking lot in the Richmond area, and local law enforcement was contacted. As the tracking team surveilled the scene, police located the unsuspecting thief relaxing in a hotel room - likely not the room service he had in mind!

Due to space limitations, the above is an abridged list of recoveries during this month. Boomerang Tracking Inc. markets and distributes the Boomerang® Tracking System, a proprietary product using technology patented by the Company. The Boomerang, Boomerang2™ and Boomerang GSM devices are the central devices in a cellular-based asset tracking system utilizing the wireless systems of major telecommunications companies. The Boomerang Tracking System is capable of locating stolen automobiles, heavy equipment and valuable objects. Members of the insurance industry endorse the Company's proven recovery record. The Boomerang devices are installed through a network of authorized dealers located throughout the provinces of Quebec, Ontario and British Columbia. The Company's head office, research and development, production and corporate installation facilities are located in Montreal, Quebec. Boomerang is a registered trademark and Boomerang2 is a trademark of Boomerang Tracking Inc. The shares of Boomerang Tracking Inc. trade on The Toronto Stock Exchange under the symbol BMG.
